

Specialty Classes

Babysitting Certification

The Babysitter's Training course from the American Red Cross will teach you everything you need to know to be a great babysitter. This fun, interactive course teaches first aid and safety skills so you can prevent and respond to emergencies. And, as a Red Cross trained babysitter, you'll gain confidence and valuable employment skills to impress parents. Upon completion of the course you'll receive a full color, illustrated handbook filled with great information and resources to use on the job.

Dog Obedience

Would you like to improve your relationship with your best friend? Do you wish you had more control? This class is designed to give you the upper hand and help establish good habits early in life. Emphasis is placed on understanding how dogs learn. Solutions for house training, digging, chewing, barking, jumping and other destructive behavior will be addressed. Dogs must be four months of age and current on all shots. Dog handlers between the ages of 12 and 16 must have a parent or guardian present while participating in class.

French

Beginner I

Ohh-la-la! Have you ever dreamed of Paris or the French Riviera? Now is the time to get a taste of France right here at home. This is the introductory course to the French language and culture – one of the most romantic languages. Even as a total beginner, you'll begin speaking French from day one. You will learn to introduce yourself and converse about professions, nationalities, addresses, the calendar, time and days of the week. You will practice conversational situations in a relaxed and supportive atmosphere. A \$5 supply fee is due to the instructor on the first day of class.

Manners Made Fun

Give your child the 'manners advantage'! It is never too early to learn general manners and etiquette skills such as the proper ways to meet and greet someone, telephone etiquette, table and dining manners, restaurant and party etiquette, classroom and playground manners, respect for elders and persons of authority, and much more! These basic subjects are presented in a creative and enjoyable student participatory program, and we have fun!

Spanish for Kids

Now is the perfect time for your child to start learning Spanish! Your child's ability to learn first languages ends around the time they start middle school. After that all languages will be stored in an area of the brain for foreign language. Your child can learn Spanish now and it will be stored in the first language area of the brain and be on the path to becoming bilingual! This class is a fun and energetic way for your child to learn Spanish through music, stories, crafts and games. Age appropriate vocabulary, basic grammar and conversation will be taught. A \$15 materials fee for a workbook is due to the instructor on the first day of class. Please see pages 32-33 for Preschool and Toddler age Spanish classes.
